

Martinez Area Chamber of Commerce Ambassador Application

Being an ambassador is an exciting opportunity, not only for you to help out your Chamber, but also fellow business people!

Martinez Chamber Ambassadors are business people with a purpose. This purpose is to let members know that you are "actively involved" in marketing yourself and the business you represent. Ambassadors see the benefits of meeting and working together with other members to improve the success of their business. A huge step towards achieving this goal is to be an essential part of your Chamber's public Relations Ambassador Team! By accepting the role of an ambassador, you are letting other members know that you are willing to devote more time to increasing your profile in the Martinez business community. You will meet other ambassadors, work, and enjoy yourself, and teach others in business how *you* can help it grow!

Get involved! Tell us more about yourself, and how you can assist in promoting the activities and events of the Martinez Area Chamber of Commerce! Complete this application and send it in and a Chamber representative will contact you shortly!

Sure, I'd love to become an Ambassador!
